

WALK FOR WOMEN

Saturday, May 18th 2024

I am delighted to announce that our **WALK FOR WOMEN** event is back to raise valuable dollars for our mission and to build awareness for women and single mothers in Chester County who are experiencing housing insecurity.

Our **WALK FOR WOMEN** event is Saturday, May 18th in the Great Valley Corporate Center at Rajant Corporation's offices. It's a time to come together as a community to walk a mile for women who are working to achieve housing stability.

This family-friendly event from 9:30am to 12:00pm will include free food and coffee, face painting, fairy hair, lawn games, volleyball, balloon animals, and a short walk. The community will be able to interact Home of the Sparrow staff, board members and program participants to learn more about our mission.

Your sponsorship will directly assist women, mothers and children in many ways:

- ✓ emergency eviction intervention with direct payments to landlords,
- ✓ rent subsidies giving a woman time to increase her income and decrease her expenses,
- ✓ help paying security costs to acquire affordable housing,
- ✓ specialized housing assistance for women re-entering the community after incarceration,
- ✓ housing in an HOS home for pre-senior women waiting for subsidized housing vouchers, and
- ✓ support for our graduates and their children through access to family-friendly events, donations from the community including back-to-school supplies, holiday gifts, meals, and shopping bags filled with products and supplies to augment their limited budgets.

For more information, please contact me or Beth Erisman, via phone at 610-647-4940 or email at KSanger@HomeofTheSparrow.org.

If you are interested in the \$1,000 sponsorship level which includes your company's name on the event T-shirts, please let us hear from you by May 1st.

With heartfelt thanks for your thoughtful consideration!

Sincerely,

Michelle E. Venema
CEO
